## Educatiooon 3000

with Noemi Paymal

French anthropologist and creator of Educatiooon 3000®

Together let's co-create the future through Education.

It is in our hands.

It is our time.

*Why are today's children so different?*  
*How can I better understand my students?*  
*How to be a parent today?*  
*How can I set Peace Culture through Education?*

Educatiooon 3000® (Pedagoogia 3000® in Spanish) provides applied researches to these important questions along with practical tools. More than ever, education is a critical issue, for our children and grandchildren wellbeing, for the emerging society and the planet benefits.

**Conference:** *Tomorrow's Education, now*

- 🌐 Today's children: fast and astonishing changes
- 🌐 What kind of Education do we need?
- 🌐 Neuro-Pedagogy
- 🌐 7 Petal Schools and Peace Culture

**Workshops:** Practical tools for the Education for the third millennium.  
Theoretical and practical workshop.

## Objectives

The workshop addresses the themes of a new integral Education and Peace Culture, raising awareness and promoting concrete solutions. The purposes are:

- 🌐 To raise worldwide awareness regarding children's needs and the needs of the Planet.
- 🌐 To better address the needs of the parents and teachers.
- 🌐 To build up a durable Peace Culture, starting with the classroom, having a cooperative attitude from the children.
- 🌐 To pave the way towards a better understanding of the physiological, psycho-emotional and neurological changes in today's children, and to provide updated information from doctors, psychologists and educators, explaining the reasons for such changes
- 🌐 To share investigations and experiences undergone in several countries and get practical tools on how to achieve excellent academic results, promoting as well the Emotional Intelligence, creativity and team work.
- 🌐 To explore the results and benefits of an integral, fun, inclusive and proactive education, oriented towards a multicultural approach and peace culture.
- 🌐 To set-up a worldwide network, driven by solidarity, consciousness and care, linking continents and countries through Education and Peace Culture.

## Why a New and Integral Education?

### *A quantum leap for oneself and for a new education*

Globally, childhood depression, suicide rates in the young, absenteeism of teachers, school violence and bullying have increased considerably.

Paediatricians in emphasize "new" childhood diseases such as: childhood depression, childhood schizophrenia, stress and childhood epilepsy, isolation, confinement, violence, self-destruction, and the famous and controversial ADHD (Attention Deficit and Hyperactivity Disorder) which is increasing, accompanied by school phobia, social disorders, autism spectrum, Asperger Syndrome, etc. (According to reports from 22

doctors of the Scientific Alliance 3000 and Pedagoogia3000 Scientific Congresses in 2013 and 2014).

## Topics to be covered
